

A Phenomena

Some of you or someone you know may see pieces or even had personal experiences, or believe something is wrong, doesn't add up.

A Phenomena, a verifiable Phenomena , no guessing, or hearsay, more than talk, a podcast or TV news report.

A Phenomena, verifiable - times - events -photos - videos - witnesses - documents -, technology - meetings with the 2 most powerful beings on the planet - a US President & Vice President.

A Phenomena - A Plan

A Phenomena appeared this moment in time, at a time when America & the entire world is at war.

At a time President Putin - Russia forced, put into a position President Putin on the record leaves no weaponry off the battle ground - nuclear.

A Phenomena appeared when the world was awakened to AI being autonomous, thought to be a threat to humanity.

A Phenomena, A frequency that breaks the man-made Simulation & outs the 8 Billion's enemies behind the curtain.
